

Inclusive Partners

Training Offerings

Inclusion Means Together

Ever wonder what inclusion means? To you? To the children and families you serve? Come and start the conversation about how including all children and families benefit us all. This is a foundational training to help you identify, explore and enhance your inclusive philosophy.

2 hours, Set One; *Core Knowledge Category, Special Needs*

The ADA and You

Do you think the Americans with Disabilities Act seems overwhelming? Scary even? It can be if you look at the legislation from a “have to” point of view. Come learn and discuss how we can move from the “have to’s” to the “get to’s” of inclusive policies and practices. This course is not presented by legal counsel.

2 hours, Set One; *Core Knowledge Category, Special Needs*

Accommodations: It’s Easier than You Think!

Having to make an accommodation plan for a child can be a daunting task. Join us as we explore when they are necessary and how to put one together. A well-defined accommodation plan can maximize effectiveness for the child and for your program.

2 hours, Set Two; *Core Knowledge Category, Special Needs*

EI/ECSE Alphabet Soup: How It Can Nourish Your Program

Every field has its own jargon. Early Intervention/Early Childhood Special Education is no exception. In this interactive session, we will examine Individual Family Service Plans: what they look like, how to read them and how to utilize the information to benefit the children in your care.

3 hours, Set Two; *Core Knowledge Category, Special Needs*

Inclusive Practices that Work

Join us in exploring commonly used support strategies such as developmentally appropriate practices, universal design, positive behavior supports, embedded instruction and interventions, picture exchange systems, visual supports and social stories. As you begin to apply these tricks of the trade, all your kids will benefit!

2 hours, Set Two; *Core Knowledge Category, Special Needs*

Special Needs Don't Stop When the Bell Rings!

Just because school time is over for the day doesn't mean a child or youth's needs end for the day! Come learn how to read IEP's, take that information and use it to adapt activities that will help you continue to support the child's development while in your care.

3 hours, Set Two; *Core Knowledge Category, Special Needs*

Series offerings

Understanding Sensory Input – Part 1

What is Sensory input anyway? Come learn how we use our senses to process information in our daily lives and leave being able to identify key indicators of a sensory processing issue.

2 hours, Set One; *Core Knowledge Category, Special Needs*

Implementing Sensory Strategies – Part 2

Examining sensory processing needs means looking at your environment, curriculum and teaching practices with a new lens. Participants will develop and learn to implement classroom strategies that support all children.

Must take “Understanding Sensory Input” prior to this session

2 hours, Set Two (approval pending), *Core Knowledge Category, Special Needs*
